

Dodgeball

Rules:

1. There will be 2 games in each match.
2. The first game would be conventional Dodge Ball of 2 mins.
3. The second game will have 2 balls for 1 min.
4. In case of a draw round 2 would be repeated
5. The points would be calculated on the basis of the no. of people getting out: (i) Those who get hit by the ball below the shoulder level (If they are hit on the head, they won't be considered as out unless they bring their head intentionally), (ii) Those who crossover the circle, i.e. the opponents have to be totally aware that they are not out of the circle, if they don't want to lose a player and (iii) Those players can join back if that round of play gets over.
6. After every round ,that is when the whole team inside gets out, the time will be stopped and they'll be given 15 seconds to return(time would be stopped for that duration).
7. Team with minimum points (players lost in the total game) will win.
8. Referee decision would be final decision.

Team Formation Rules:

1. Teams can be comprised of both male and female players
2. Every Team must have six players on field and one extra player (6+1).
3. There should be players from minimum three batches in a Team
4. M-tech, PhD and Faculty will be considered different batches.
5. There can be maximum three inter-IIT players (for the years 2016 and 2017, excluding TT, Chess and Swimming) on the team. Here inter-IIT girls will not be counted as Inter-IIT players.
6. If a team has a girl member in it, the team will have to dodge for 1 min 45 sec instead of 2 min. The time reduced will be 15 sec only in the first round, regardless of the number of girls that you take in your team.
7. In case of any injury/absence of player, you may only play with unregistered players only.
