

### 3 A Side Baddy

#### Team Formation Rules:

1. Girls and boys can form mixed teams.
2. There will be 3 players per team.
3. The team should comprise of players from a minimum of 2 different batches.
4. M. Tech, PhD and Faculty will be considered different batches.
5. In a team, there can be at most one player from the pool, and it is compulsory to have a non-pool girl member in the team if a pool player is present until and unless the pool player is girl.
6. A team with all non-pool players and a girl member will be rewarded 5 points at the beginning of the match. (i. e. That team has to score only 16 points to win instead of 21).

#### Game Rules:

1. You can serve anywhere avoiding a short serve.
2. One player cannot serve consecutively. Every player must serve.
3. One player cannot hit the shuttle twice in succession.
4. If the racquet clashes **2 points** are deducted from that team but rally will continue even after the racquet clash.
5. If a non-pool girl player serves (if any), then the opposition team cannot directly **TAP** (i.e opposite team's player has to play the shuttle without tapping) or **SMASH** on that serve. Or there will be a deduction of **2 points**, but the rally will be continued. This rule is applicable only for knockout phases.
6. In the knockout phase, the matches played will be of one set of 21 points. The quarterfinals (final eight teams) will play matches of 3 sets (21 points each).

How to play:

1. If player 2 serves- suppose player A takes, then he/she can't take the next consecutive shot.
2. Similarly- Now player 2 cannot serve for the next time, it has to be either player 1 or 3.
3. The lines marked as Y and Z are the short serve lines, i.e the service has to be done after it into the court.
