Street Hockey

Team Formation Rules:

1. Teams can consist of both male and female players.
2. A team will comprise of 5 on-field and 2 substitutes (A total of 7 per team).
3. A team should comprise of players from a minimum of 3 different batches.
4. If a female player is on the team, even teams with players from two batches will be accepted.
5. A team can consist of at most 1 player from the pool.
6. Staff and faculty can form their own teams without any batch restrictions.
7. Each player of the team must play a minimum of 4 minutes.
8. At the time of penalty shootout, there will be no goalkeeper, if it is taken by any girl player of the team. The goalkeeper will be present if a male player takes it. The advantage will only be given if the girl player is on the field at the time othe penalty being conceded.

Pool: Aasim Shaikh, Mridul Sharma, Althaf Shaikh

Rules:

1. No goalkeeper, no offside, 8 minutes half.
2. Goals scored from outside the D-circle will not be counted.
3. If fault is committed in D-circle, there will be a penalty corner.
4. During penalty corner 3 players of the attacking team and 2 players of the defending team will be within half-line, others will be outside the half-line.
5. If a foul is committed, advantage rule similar to football will be applied.
6. If foul happens during penalty corner, there will be penalty shootout.
7. Cards will be given if a player repeatedly commits fouls or argues with the referee. Yellow card will be given as a caution. If players get Red card then he/she will have to sit out.

Fouls are awarded in the following situations:

1. Hockey stick crosses the waist height.
2. Stick tackle is not allowed.
3. If ball touches the player intentionally or unintentionally.
4. If ball touches back side of the stick (When passing/receiving/hitting/tackling).
5. If stick touches the player.
6. Ball is missed while trying to pass/shoot (Mishit foul).
